**NOTES:**

1. All amounts are reported in Australian dollars and withholding tax has been deducted where applicable.
2. Taxable income should be reported in your 2017 tax return. In this regard, income should be reported in the year of entitlement rather than the year of receipt of the distribution.
3. If your total foreign income tax offset from all sources for the year is \$1,000 or less, then you can claim this amount in full. Otherwise you will need to refer to the ATO's Website publication "Guide to foreign income tax offset rules 2017" to work out your entitlement to foreign income tax offsets.
