### NOTES:

- All amounts are reported in Australian dollars and withholding tax has been deducted where applicable.
- Taxable income should be reported in your 2008 income tax return. In this regard income should be reported in the year of entitlement rather than the year of receipt.
- The Tax deferred amount has been calculated on the basis that the unitholder is an individual or a trust eligible for the 50% CGT discount. In other circumstances the tax deferred percentage may be different.
- Capital Gains – The following information is relevant to non residents of Australia. The capital gains do not arise from assets that are taxable Australian property within the meaning of s855-15 of *the Income Tax Assessment Act 1997 (Cth)* – For further information on capital gains tax, please refer to the following ATO publications: Guide to Capital Gains tax (2008) (NAT 4151) or Personal Investors Guide to Capital Gains tax 2008 (NAT 4152) or consult your professional adviser.

**If you are in any doubt as to your tax position, please contact your professional adviser.**
