# Directors' Report

## Multiplex Development and Opportunity Fund

For the year ended 30 June 2017

### Introduction

The Directors of Brookfield Capital Management Limited (ABN 32 094 936 866), the Responsible Entity of Multiplex Development and Opportunity Fund (ARSN 100 563 488) (Fund), present their report together with the financial statements of the Consolidated Entity, being the Fund and its subsidiaries and the Consolidated Entity's interest in associates for the year ended 30 June 2017 and the Independent Auditor's Report thereon.

The Fund was constituted on 27 May 2002.

### Responsible Entity

The Responsible Entity of the Fund is Brookfield Capital Management Limited (BCML). The registered office and principal place of business of the Responsible Entity is Level 22, 135 King Street, Sydney NSW 2000.

### Directors

The following persons were Directors of the Responsible Entity at any time during or since the end of the financial year:

Name	Capacity
F. Allan McDonald	Non-Executive Independent Chairman
Barbara Ward	Non-Executive Independent Director
Shane Ross	Executive Director

### Information on Directors

#### F. Allan McDonald (BEcon, FCPA, FAIM, FGIA), Non-Executive Independent Chairman

Allan was appointed the Non-Executive Independent Chairman of BCML on 1 January 2010 and also performs that role for Brookfield Funds Management Limited (BFML). Allan has had extensive experience in the role of Chairman and is presently associated with a number of companies as a consultant and Company Director. BFML is the Responsible Entity for the listed Multiplex SITES Trust. Allan's other directorship of listed entities is Astro Japan Property Management Limited (Responsible Entity of Astro Japan Property Trust) (appointed February 2005).

#### Barbara Ward, AM (BEcon, MPoEcon, MAICD), Non-Executive Independent Director

Barbara was appointed as a Non-Executive Independent Director of BCML on 1 January 2010 and also performs that role for BFML. Barbara has gained extensive business and finance experience through her role as Chief Executive Officer of Ansett Worldwide Aviation Services, as General Manager Finance for the TNT Group and as a Senior Ministerial Advisor. BFML is the Responsible Entity for the listed Multiplex SITES Trust. Barbara is a Director of Qantas Airways Limited (appointed June 2008), Caltex Australia Limited (appointed 1 April 2015) and Sydney Children's Hospital Foundation (appointed November 2012).

#### Shane Ross (BBus), Executive Director

Shane is the Group General Manager of Treasury and Chief Financial Officer for Brookfield Australia. Shane was appointed as an Executive Director of BCML on 6 May 2015, and also performs that role for BFML. BFML is the Responsible Entity for the listed Multiplex SITES Trust. Shane joined the organisation in 2003 following a background in banking and has over 20 years of experience in treasury and finance within the property industry.

Barbara Ward	4	4	2	2	2	2
Shane Ross	4	4	n/a	n/a	n/a	n/a

A – Number of meetings attended.

B – Number of meetings held during the time the Director held office during the year.

### Committee meetings

There were no Board committee meetings held during the year other than those stated above.

### Principal activities

In prior periods the Consolidated Entity fully settled its final development property project (Little Bay South). The principal activity of the Consolidated Entity during the period is to resolve the outstanding commercial issues in the Little Bay South development.

### Review of operations

The Consolidated Entity has recorded a net loss before income tax of \$98,753 for the year ended 30 June 2017 (2016: net profit \$77,406).

Some of the significant events during the year are as follows:

- total revenue and other income of \$50,394 (2016: \$389,105);
- net assets attributable to ordinary unitholders of \$1,605,019 or \$0.01 per unit (2016: \$4,725,503 or \$0.03 per unit); and
- share of loss from equity accounted investments \$11,409 (2016: profit \$214,467); and
- capital return of \$3,021,731 or 1.85 cents per unit was paid on 10 March 2017 to unitholders (2016: \$31,115,666 or 19.05 cents per unit)

The strategy of the Fund is to finalise the commercial issues relating to Little Bay South and to return remaining proceeds to investors.

### Likely developments

Other than the matters already included in the Directors' Report, information on likely developments in the operations of the Consolidated Entity in future financial years and the expected results of those operations have not been included in this report because the Directors believe that to do so would be likely to result in unreasonable prejudice to the Consolidated Entity.

### Interest of the Responsible Entity

#### Management fees

For the year ended 30 June 2017, the Consolidated Entity incurred \$113,890 in management fees to the Responsible Entity (2016: \$263,595). \$5,921 remains payable as at year end (2016: \$43,906).

#### Expense recoveries

For the year ended 30 June 2017, the Consolidated Entity incurred \$23,347 in expense recoveries to the Responsible Entity (2016: \$52,185). At 30 June 2017 expense recoveries payable is \$1,213 (2016: \$9,001).

#### Related party unitholders

The following interests as at 30 June 2017 are held by related entities in the Consolidated Entity:

- JP Morgan Chase Bank N.A as custodian for BAO Trust holds 9,320,388 units or 5.7% (2016: 9,320,388 units or 5.7%); and
- Brookfield Capital Management Limited holds 20,582,496 units or 12.6% (2016: 20,582,496 units or 12.6%).

### Significant changes in the state of affairs

In the opinion of the Directors, there are no other significant changes in the state of affairs of the Consolidated Entity that occurred during the financial year other than those disclosed in this report or in the consolidated financial statements.

# Directors' Report continued

## Multiplex Development and Opportunity Fund

For the year ended 30 June 2017

### Events subsequent to the reporting date

There are no matters or circumstances which have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the Consolidated Entity, the results of those operations, or the state of affairs of the Consolidated Entity in subsequent financial years.

### Environmental regulation

The Consolidated Entity has systems in place to manage its environmental obligations. Based on the results of inquiries made, the Responsible Entity is not aware of any significant breaches or non-compliance issues during the year covered by this report.

### Distributions and return of capital

No distributions were declared or paid during the year (2016: nil). A capital return to ordinary unitholders of \$3,021,731 or 1.85 cents per unit was paid on 10 March 2017 (2016: \$31,115,666 or 19.05 cents).

### Indemnification and insurance of officers and auditors

Brookfield Australia Investments Limited (BAIL) has entered into deeds of access and indemnity with each of its Directors, Company Secretary and other nominated Officers. The terms of the deeds are in accordance with the provisions of the *Corporations Act 2001* and will indemnify these executives (to the extent permitted by law) for up to seven years after serving as an Officer against legal costs incurred in defending civil or criminal proceedings against the executives, except where proceedings result in unfavourable decisions against the executives, and in respect of reasonable legal costs incurred by the executives in good faith in obtaining legal advice in relation to any issue relating to the executives being an officer of the BAIL group, including BCML.

Under the deeds of access and indemnity, BAIL has agreed to indemnify these persons (to the extent permitted by law) against:

- liabilities incurred as a director or officer of BCML or a company in the group, except for those liabilities incurred in relation to the matters set out in section 199A(2) of the *Corporations Act 2001*; and
- reasonable legal costs incurred in defending an action for a liability or alleged liability as a director or officer, except for costs incurred in relation to the matters set out in section 199A(3) of the *Corporations Act 2001*.

BAIL has also agreed to effect, maintain and pay the premium on a directors' and officers' liability insurance policy. This obligation is satisfied by BAIL being able to rely upon Brookfield's global directors' and officers' insurance policy, for which it pays a portion of the premium.

As is usual, this policy has certain exclusions and therefore does not insure against liabilities arising out of matters including but not limited to:

- fraudulent, dishonest or criminal acts or omissions and improper personal profit or advantage;
- violation of *US Securities Act of 1933*;
- losses for which coverage under a different kind of insurance policy is readily available such as, for example, liability insurance, employment practices liability and pollution liability (there can be limited coverage for some of these exposures); and
- claims made by a major shareholder (threshold is ownership of 10% or greater).

The obligation to effect, maintain and pay the premium on a policy continues for a period of seven years after the director or officer has left office to the extent such coverage is available with reasonable terms in the commercial insurance marketplace.

The group has not otherwise, during or since the end of the financial year, except to the extent permitted by law, indemnified or agreed to indemnify an officer or auditor of BCML or of any related body corporate against a liability incurred as such an officer or auditor.

# Notes to the Consolidated Financial Statements

## Multiplex Development and Opportunity Fund

13

For the year ended 30 June 2017

### 1 Reporting entity

Multiplex Development and Opportunity Fund (Fund) is an Australian registered managed investment scheme under the *Corporations Act 2001*. Brookfield Capital Management Limited (BCML), the Responsible Entity of the Fund, is incorporated and domiciled in Australia. The consolidated financial statements of the Fund as at and for the year ended 30 June 2017 comprise the Fund and its subsidiaries and the Consolidated Entity's interest in associates.

### 2 Basis of preparation

#### a Statement of compliance

The financial statements are general purpose financial statements which have been prepared in accordance with Australian Accounting Standards (AASB) (including Australian interpretations) adopted by the Australian Accounting Standards Board (AASB) and the *Corporations Act 2001*. The financial statements of the Consolidated Entity and the Fund comply with International Financial Reporting Standards (IFRS) and interpretations adopted by the International Accounting Standards Boards (IASB). For the purpose of preparing the consolidated financial statements the Fund is a for profit entity.

The financial statements were authorised for issue by the Directors on this 28th day of August 2017.

#### b Basis of measurement

##### Non going concern

The Consolidated Entity intends to cease business within the next 12 months and realise its assets and extinguish its liabilities in the ordinary course of its business. As such the going concern basis has not been adopted in the preparation of these financial statements. Accordingly, the Consolidated Entity's assets have been recorded at their net realisable values and the liabilities have been recorded at their contractual settlement amounts.

In addition, all assets and liabilities have been classified as current since assets will be consumed or converted into cash and liabilities will be settled within 12 months.

#### c Use of estimates and judgements

The preparation of financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amount of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised and in any future periods affected.

There are no critical estimates or judgements as at year end 30 June 2017.

#### d New and amended standards adopted

AASB 2015-2 *Amendments to AASB 101*, (effective from 1 January 2016) provides clarification to the existing disclosure requirements in AASB 101 *Presentation of Financial Statements* and ensures that entities are able to use judgements when applying the standard in determining what information to disclose in their financial statements.

There are no standards, interpretations or amendments to existing standards that are effective for the first time for the financial year beginning 1 July 2016 that have a material impact on the Consolidated Entity.

### 3 Significant accounting policies

The significant policies set out below have been applied consistently to all periods presented in these consolidated financial statements.

#### a Principles of consolidation

##### Subsidiaries

The consolidated financial statements incorporate the financial statements of the Fund and its subsidiaries. Control of an entity is achieved where the Fund is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to significantly affect those returns through its power to direct the activities of the entity.

The results of the subsidiaries acquired or disposed of during the year are included in the Consolidated Statement of Profit or Loss and Other Comprehensive Income from the effective date of acquisition or up to the effective date of disposal, as appropriate.

Where necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with those used by the Consolidated Entity.

All intra-group transactions, balances, income and expenses, including unrealised profits arising from intra-group transactions, are eliminated in full in the consolidated financial statements. In the separate financial statements of the Fund, intra-group transactions (common control transactions) are generally accounted for by reference to the existing carrying value of the items. Where the transaction value of common control transactions differs from their carrying value, the difference is recognised as a contribution by or distribution to equity participants by the transacting entities.

In the Fund's financial statements, investments in controlled entities are carried at cost less impairment, if applicable.

# Notes to the Consolidated Financial Statements

continued

14

## Multiplex Development and Opportunity Fund

For the year ended 30 June 2017

### 3 Significant accounting policies *continued*

#### a Principles of consolidation *continued*

Non-controlling interests in subsidiaries are identified separately from the Consolidated Entity's equity therein. The interests of non-controlling shareholders may be initially measured either at fair value or at the non-controlling interests' proportionate share of the fair value of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity.

Total comprehensive income is attributed to non-controlling interests even if this results in the non-controlling interests having a deficit balance.

Changes in the Consolidated Entity's interests in subsidiaries that do not result in a loss of control are accounted for as equity transactions. The carrying amounts of the Consolidated Entity's interests and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to unitholders.

When the Consolidated Entity loses control of a subsidiary, the gain or loss on disposal is calculated as the difference between the aggregate of the fair value of the consideration received and the fair value of any retained interest and the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiary and any non-controlling interests. Amounts previously recognised in other comprehensive income in relation to the subsidiary are accounted for (i.e. reclassified to profit or loss or transferred directly to retained earnings) in the same manner as would be required if the relevant assets or liabilities were disposed of. The fair value of any investment retained in the former subsidiary at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting under AASB 139 *Financial Instruments: Recognition and Measurement* or, when applicable, the cost on initial recognition of an investment in an associate or jointly controlled entity.

#### b Revenue recognition

##### Dividends and distributions

Revenue from dividends and distributions is recognised when the right of the Consolidated Entity to receive payment is established, which is generally when they have been declared.

Dividends and distributions received from equity accounted investees reduce the carrying amount of the investment of the Consolidated Entity in that equity accounted investee and are not recognised as revenue.

#### c Cash and cash equivalents

For purposes of presentation in the Consolidated Statement of Cash Flows, cash includes cash balances, deposits at call with financial institutions and other highly liquid investments, with short periods to maturity, which are readily convertible to cash and are subject to an insignificant risk of changes in value, net of outstanding bank overdrafts.

#### d Taxation

The income tax expense or revenue for the year is the tax payable on the current year's taxable income based on the notional income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised.

Deferred tax assets and liabilities are recognised for temporary differences at the tax rates expected to apply when the assets are recovered or liabilities are settled, based on those tax rates which are enacted or substantively enacted for each jurisdiction. The relevant tax rates are applied to the cumulative amounts of deductible and taxable temporary differences to measure the deferred tax asset or liability. An exception is made for certain temporary differences arising from the initial recognition of an asset or a liability. No deferred tax asset or liability is recognised in relation to these temporary differences if they arose in a transaction, other than a business combination, that at the time of the transaction did not affect either accounting profit or taxable profit or loss.

Deferred tax liabilities and assets are not recognised for temporary differences between the carrying amount and tax bases of investments in controlled entities where the parent entity is able to control the timing of the reversal of the temporary differences and it is probable that the differences will not reverse in the foreseeable future. Current and deferred tax balances attributable to amounts recognised directly in equity are also recognised directly in equity.

## Multiplex Development and Opportunity Fund

For the year ended 30 June 2017

### 3 Significant accounting policies *continued*

#### e Tax consolidation

The Fund and its wholly-owned Australian resident subsidiaries have formed a tax-consolidated group with effect from 1 July 2003 and are therefore taxed as a single entity from that date. The head entity within the tax-consolidated group is the Fund.

Current tax expense/benefit, deferred tax liabilities and deferred tax assets arising from temporary differences of the members of the tax-consolidated group are recognised in the separate financial statements of the members of the tax-consolidated group using the 'separate taxpayer within group' approach by reference to the carrying amounts of assets and liabilities in the separate financial statements of each entity and the tax values applying under tax consolidation.

Any current tax liabilities (or assets) and deferred tax assets arising from unused tax losses of the subsidiaries is assumed by the head entity in the tax-consolidated group and are recognised by the head entity as amounts payable/(receivable) to/(from) other entities in the tax-consolidated group in conjunction with any tax funding arrangement amounts (refer below). Any difference between these amounts is recognised by the head entity as an equity contribution or distribution.

The head entity recognises deferred tax assets arising from unused tax losses of the tax consolidated group to the extent that it is probable that future taxable profits of the tax consolidated group will be available against which the asset can be utilised.

Any subsequent period adjustments to deferred tax assets arising from unused tax losses as a result of revised assessments of the probability of recoverability is recognised by the head entity only.

The head entity, in conjunction with other members of the tax-consolidated group, has entered into a tax funding arrangement which sets out the funding obligations of members of the tax consolidated group in respect of tax amounts. The tax funding arrangements require payments to/(from) the head entity equal to the current tax liability/(asset) assumed by the head entity and any tax loss deferred tax asset assumed by the head entity, resulting in the head entity recognising an inter-entity receivable/(payable) equal to the amount to the tax liability/(asset) assumed. The inter-entity receivables/(payables) are at call.

Contributions to fund the current tax liabilities are payable as per the tax funding arrangement and reflect the timing of the head entity's obligation to make payments for tax liabilities to the relevant tax authorities.

The head entity in conjunction with other members of the tax-consolidated group has also entered into a tax sharing agreement. The tax sharing agreement provides for the determination of the allocation of income tax liabilities between the entities should the head entity default on its tax payment obligations. No amounts have been recognised in the financial statements in respect of this agreement as payment of any amounts under the tax sharing agreement is considered remote.

#### f Associates

The Consolidated Entity's investments in associates are accounted for using the equity method of accounting in the consolidated financial statements. An associate is an entity in which the Consolidated Entity has significant influence, but not control, over their financial and operating policies.

Under the equity method, investments in associates are carried in the Consolidated Statement of Financial Position at cost plus post-acquisition changes in the Consolidated Entity's share of net assets of the associates. After application of the equity method, the Consolidated Entity determines whether it is necessary to recognise any additional impairment loss with respect to the Consolidated Entity's net investment in the associates. The Consolidated Statement of Profit or Loss and Other Comprehensive Income reflects the Consolidated Entity's share of the results of operations of the associates.

When the Consolidated Entity's share of losses exceeds its interest in an associate, the Consolidated Entity's carrying amount is reduced to nil and recognition of further losses is discontinued except to the extent that the Consolidated Entity has incurred legal or constructive obligations or made payments on behalf of an associate.

Where there has been a change recognised directly in the associate's equity, the Consolidated Entity recognises its share of changes.

Unrealised gains arising from transactions with associates are eliminated against the investment to the extent of the Consolidated Entity's interest in the associate. Unrealised losses are eliminated in the same way as unrealised gains, but only to the extent that there is no evidence of impairment. Gains and losses are recognised when the contributed assets are consumed or sold by the associate.

#### g Distributions

A provision for distribution is recognised in the Consolidated Statement of Financial Position if the distribution has been declared prior to period end. Distributions paid and payable on units are recognised as a reduction in net assets attributable to unitholders. Distributions paid are included in cash flows from financing activities in the Consolidated Statement of Cash Flows.

### 3 Significant accounting policies continued

#### h Net assets attributable to unitholders

Net assets attributable to unitholders consist of units on issue (less transaction costs), undistributed income and reserves.

#### i Units on issue

Issued and paid up units are recognised as changes in net assets attributable to unitholders at the fair value of the consideration received by the Consolidated Entity, less any incremental costs directly attributable to the issue of new units.

#### j New standards and interpretations not yet adopted

The following standards, amendments to standards and interpretations have been identified as those which may impact the Consolidated Entity in the period of initial application. They are available for early adoption at 30 June 2017 but have not been applied in preparing this financial report:

AASB 9 *Financial Instruments* (and applicable amendments), (effective from 1 January 2018) addresses the classification, measurement and derecognition of financial assets and financial liabilities. It has now also introduced revised rules around hedge accounting and impairment. The standard is not applicable until 1 January 2018 but is available for early adoption.

AASB 15 *Revenue from Contracts with Customers* (and applicable amendments), (effective from 1 January 2018) is a new standard for the recognition of revenue. This will replace AASB 118 *Revenue* which covers contracts for goods and services and AASB 111 *Construction Contracts* which covers construction contracts. The new standard is based on the principle that revenue is recognised when control of a good or service transfers to a customer, the notion of control replaces the existing notion of risks and rewards.

The Consolidated Entity does not intend to early adopt the above new standards and amendments and management continues to assess their impacts.

There are no other standards that are not yet effective and that would be expected to have a material impact on the Consolidated Entity in the current or future reporting periods and on foreseeable future transactions.

# Directors' Declaration

## Multiplex Development and Opportunity Fund

For the year ended 30 June 2017

In the opinion of the Directors of Brookfield Capital Management Limited, as Responsible Entity of Multiplex Development and Opportunity Fund:

- a The consolidated financial statements and notes, set out in pages 9 to 21, are in accordance with the *Corporations Act 2001*, including:
  - i giving a true and fair view of the financial position of the Consolidated Entity as at 30 June 2017 and of its performance, for the financial year ended on that date; and
  - ii complying with Australian Accounting Standards (including the Australian Accounting Interpretations) and the *Corporations Regulations 2001*.
  - iii complying with International Financial Reporting Standards, as stated in Note 2 to the consolidated financial statements.
- b There are reasonable grounds to believe that the Fund will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of the Directors of Brookfield Capital Management Limited required by Section 295(5) of the *Corporations Act 2001*.

Dated at Sydney this 28th day of August 2017.

**Shane Ross**  
Director  
Brookfield Capital Management Limited

## **Independent Auditor's Report to the Unitholders of Multiplex Development and Opportunity Fund**

### *Opinion*

We have audited the financial report of Multiplex Development and Opportunity Fund (the "Fund") which comprises the consolidated statement of financial position as at 30 June 2017, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, and the directors' declaration.

In our opinion, the accompanying financial report of the Fund is in accordance with the *Corporations Act 2001*, including:

- (i) giving a true and fair view of the Fund's financial position as at 30 June 2017 and of its financial performance for the year then ended; and
- (ii) complying with Australian Accounting Standards and the *Corporations Regulations 2001*.

### *Basis for Opinion*

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Fund in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of the Fund, would be in the same terms if given to the directors as at the time of this auditor's report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

### *Other Information*

The directors are responsible for the other information. The other information comprises the Directors' Report included in the Fund's financial report for the year ended 30 June 2017, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### *Responsibilities of the Directors for the Financial Report*

The directors of the Fund are responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards, as they apply on a non-going concern basis as disclosed in Note 2 to the financial statements, and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the directors are responsible for assessing the ability of the Fund to continue as a going concern. As disclosed in Note 2, the financial report has been prepared on a non-going concern basis due to management's intention to cease business within the next 12 months and realise its assets and extinguish its liabilities in the ordinary course of its business.

### *Auditor's Responsibilities for the Audit of the Financial Report*

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

As part of an audit in accordance with the Australian Auditing Standards, we exercise professional judgement and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial report, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the directors.
- Conclude on the appropriateness of the directors' use of the non-going concern basis of accounting. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report.
- Evaluate the overall presentation, structure and content of the financial report, including the disclosures, and whether the financial report represents the underlying transactions and events in a manner that achieves fair presentation.

We communicate with the directors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
