### 2 Basis of preparation

#### Statement of compliance

The consolidated interim financial report is a general purpose financial report which has been prepared in accordance with AASB 134 *Interim Financial Reporting*. The consolidated interim financial report does not include all the information required for a full year report and should be read in conjunction with the annual financial statements of the Consolidated Entity as at and for the year ended 30 June 2010.

The consolidated interim financial report is presented in Australian dollars, which is the Fund's presentation and functional currency.

The Consolidated Entity is of a kind referred to in ASIC Class Order 98/100, dated 10 July 1998 (updated by CO 05/641 effective 28 July 2005 and CO 06/51 effective 31 January 2006), and in accordance with that Class Order, all financial information presented in Australian dollars has been rounded to the nearest thousand dollars, unless otherwise stated.

### 3 Significant accounting policies

The accounting policies applied in this consolidated interim financial report are the same as those applied in the consolidated financial report as at and for the year ended 30 June 2010, except for the impact of the new or revised Standards and Interpretations that are first effective in the current reporting period, as described below.

*AASB 2009-5 Further Amendments to Australian Accounting Standards arising from the Annual Improvements Process*  
AASB 2009-5 introduces amendments into Accounting Standards that are equivalent to those made by the IASB under its program of annual improvements to its standards. A number of the amendments are largely technical, clarifying particular terms, or eliminating unintended consequences. Other changes are more substantial, such as the current/non-current classification of convertible instruments, the classification of expenditures on unrecognised assets in the statement of cash flows and the classification of leases of land and buildings.

*AASB 2010-3 Amendments to Australian Accounting Standards arising from the Annual Improvements Project*  
AASB 2010-3 introduces amendments to a number of pronouncements as a result of the IASB's 2008-2010 cycle of annual improvements to provide clarification of certain matters. The key clarifications include the measurement of non-controlling interests in a business combination, transition requirements for contingent consideration from a business combination that occurred before the effective date of the revised AASB 3 *Business Combinations (2008)*, and transition requirements for amendments arising as a result of AASB 127 *Consolidated and Separate Financial Statements*.

The adoption of the above amendments have not resulted in any material changes to the Consolidated Entity's accounting policies or adjustments to amounts reported in the current or prior periods.

### 4 Estimates

The preparation of the consolidated interim financial statements requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from those estimates.

### 5 Distributions

During the six months ended 31 December 2010 there were no distributions paid by the Consolidated Entity to unitholders (2009: nil).

## Independent Auditor's Review Report to the Unitholders of Multiplex Development and Opportunities Fund

### Report on the Half-Year Financial Report

We have reviewed the accompanying half-year financial report of Multiplex Development and Opportunities Fund ('the Fund'), which comprises the condensed statement of financial position as at 31 December 2010, and the condensed statement of comprehensive income, the condensed statement of cash flows and the condensed statement of changes in equity for the half-year ended on that date, selected explanatory notes and, the directors' declaration of the consolidated entity comprising the fund and the entities it controlled at the end of the half-year or from time to time during the half-year as set out on pages 7 to 15.

#### *Directors' Responsibility for the Half-Year Financial Report*

The directors of Brookfield Capital Management Limited, the responsible entity for the fund, are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

#### *Auditor's Responsibility*

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including: giving a true and fair view of the fund's financial position as at 31 December 2010 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*. As the auditor of the fund, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

### *Auditor's Independence Declaration*

In conducting our review, we have complied with the independence requirements of the *Corporations Act 2001*. We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of Brookfield Capital Management Limited, would be in the same terms if given to the directors as at the time of this auditor's report.

### *Conclusion*

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of Multiplex Development and Opportunities Fund is not in accordance with the *Corporations Act 2001*, including:

- (a) giving a true and fair view of the consolidated entity's financial position as at 31 December 2010 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.
