### NOTES:

1. All amounts are reported in Australian dollars and withholding tax has been deducted where applicable.
2. Taxable income should be reported in your 2016 tax return. In this regard, income should be reported in the year of entitlement rather than the year of receipt of the distribution.
3. If your total foreign income tax offset from all sources for the year is \$1,000 or less, then you can claim this amount in full. Otherwise you will need to refer to the publication "Guide to foreign income tax offset rules (NAT 72923)" to work out your entitlement to foreign income tax offsets.
4. The law in relation to capital gains tax is complex. We recommend investors consult with their professional adviser or refer to the following ATO publications for guidance: Guide to Capital Gains Tax 2015-2016 or Personal Investors Guide to Capital Gains Tax 2016 (NAT4152).
